

## CinemaPro

### Manual Pull Down Screen

SIZES 72" - 108"

A stylish home theatre solution for when a manual, spring-operated screen is preferred, the CinemaPro features a designer canister to suit modern home decor requirements and uses a hidden universal bracket system. Perfect for the multi-purpose living room / home theatre.

#### Market Segments:

Home  
Entertainment

Education

Government

Worship

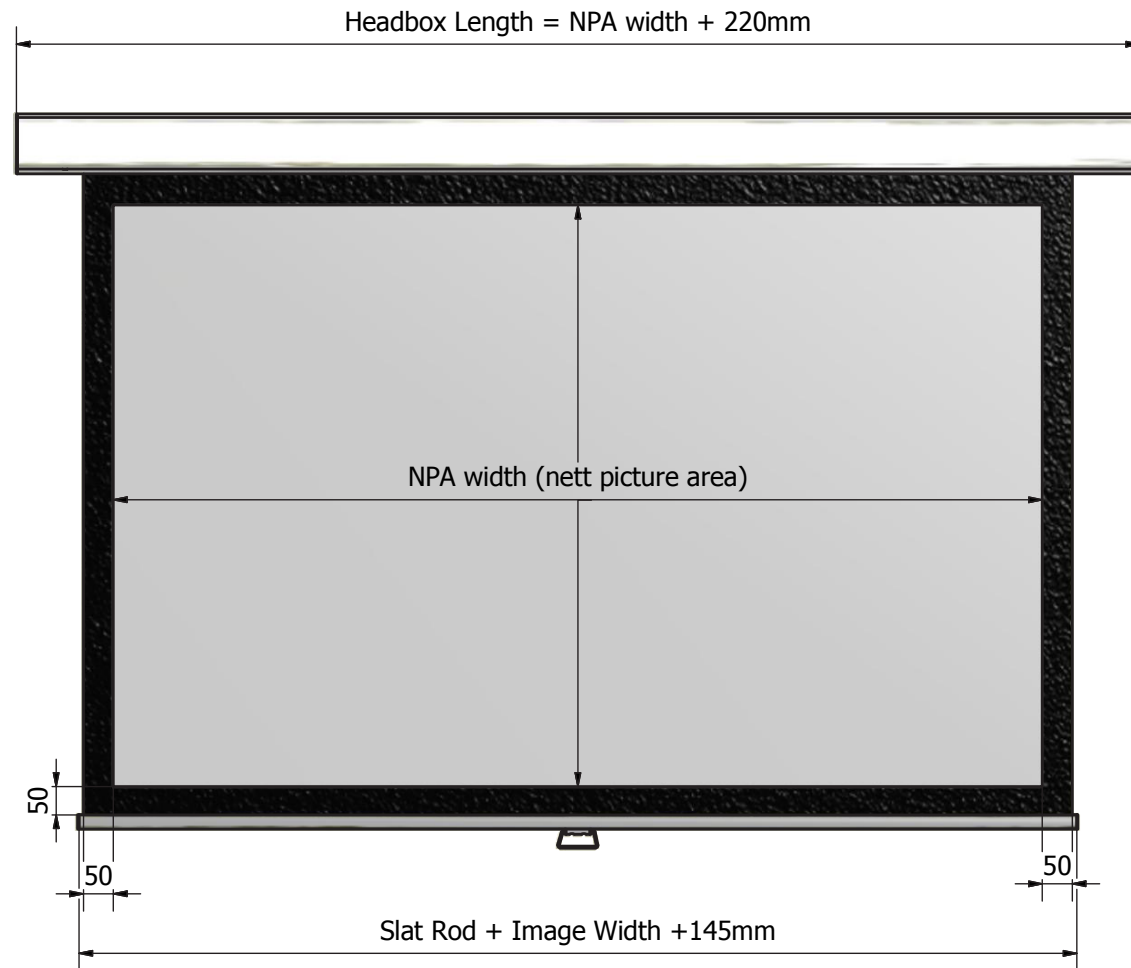

Boardroom

#### Benefits include:

- Value for money
- Designer good looks
- Hidden brackets
- Fully retractable surface

Full technical drawings and installation instructions can be found on our website  
 Manufacturing tolerance +/-5mm on headbox and slatrod.  
 All dimensions are in (mm). If installed in ceiling always allow for removal for servicing.
